Narrative Report for Section 251 Funds for Federal Fiscal Year 2004 (October 2003—September 2004)

In preparations for the 2004 Federal Election Cycle, the State of Mississippi spent \$1,092 for the mailing of postcards to more than 37,200 unverified voters to inform them of the HAVA identification requirements. Section 303(b) of HAVA requires each state verify all mail-in voter applications with state databases. 37,204 mail-in voter registration applications did not match records with our state drivers' license bureau. As Mississippi does not have a voter identification requirement, it was important inform voters of the change to minimize confusion on Election Day.

Under new federal law, the Help America Vote Act, you may be required to present one of the following forms of identification to cast a regular Election Day ballot on November 2nd, 2004:

. A current and valid photo ID (e.g., driver's license);

A current utility bill with your name and address;

A bank statement with your name and address;

in statement with your manne and address,

A government check with your name and address;

A paycheck with your name and address; or

Any other government document that shows your name and address.

If you do not have any of these forms of identification when you go to vote, you will be allowed to cast an affidavit ballot. If you have any questions, please contact your local Circuit Clerks' Office. The number is provided on your address label on the reverse of this postcard. Thank you and remember to vote on November 2^{nd} .

Sincerely, ERIC CLARK Secretary of State
